

Site Specific Certification

Level 1 Heat Treatment

This certificate is awarded to

Guardian Pest Control, Inc.

Thermal Remediation Specialist Level 1

Presented on this *20th* day of *November, 2008*

By successfully demonstrating technical competence in the application of dry heat,
with electric EBB equipment, the named
organization is qualified to assess a facility and perform heat treatment for pest control. This
certification is applicable specifically to the equipment purchased and sites owned by
Jason Wick.
